EDITORIAL

Within any group of people who associate together there exists an abstract quality which binds them. In the Armed Services it is known as *Esprit de Corps*, in a school it is called quite simply school spirit. It is this quality which binds some 800 girls into a solid unit. But unless school spirit is fostered and nurtured it will quickly evaporate.

Some individuals may be enthusiastic towards the school but unless school pride exists within each girl that abstract intangible will wane.

A sense of pride and awareness of traditions on which our school is based

flourished when the Centennial Celebrations took place in 1977. These were attended by hundreds of Old Girls who came from the four corners of the earth. What brought them together was a living tribute of loyalty to their old school — this is a product of school spirit.

It has become increasingly noticeable during the second half of the year that a certain degree of apathy is creeping in. In order to combat this House Sports were introduced.

I am satisfied that encouragement of House Competition should be fostered by extending Inter House activities in other fields and that this will revitalise that invaluable atmosphere in the school.

Staff Notes 1979

When school began again in 1979, we noted with regret the absence of some familiar faces. Mrs Cooper had left us to train as our Guidance Counsellor and we look forward to her return in November. Miss Holmes spent three months in a research team in the Antarctic and then took up a position at Fairlie High School. Mr McGuinniety transferred to Kaiapoi High School, Mrs S. Wilson left teaching to live in Arthur's Pass, and Mrs Flyvbjerg accompanied her husband on an extended visit to Denmark.

Mrs Cooper's responsibilities as Careers Adviser have been taken over by Mrs Pacey.

Three members of staff took extended leave to go overseas, Miss O'Connor and Mrs Hancock to Europe for the year, and Mrs Goodrich for six months to Pullman, Washington State, U.S.A. Miss O'Connor, an expert teacher of national and country dancing, found her talents much in demand in a variety of countries. Unfortunately for us, when she returned to New Zealand in September, she announced her

engagement and the probability of a move to Wellington. We wish her every happiness. Mr Brown was appointed as relieving teacher in Miss O'Connor's place, and Mrs Dimick in Mrs Hancock's place. Mrs Knibb relieved for Mrs Goodrich till her return at mid-year, and then she also left for a trip abroad.

Other new members of Staff included three teachers returning for a second stint with us, Mr McMahon as acting P.R.2 in Mathematics, Dr Cutten full-time, and Mrs Spear part-time. We also welcomed as new members of Staff, Mrs Clemett and Mr Sutton (full-time), Mrs Mackenzie (relieving) and Mrs Braun-Elwert (part-time). Dr Cutten, Mrs Spear and Mrs Mackenzie are all Old Girls of the school.

Our Librarian, Miss Thompson, was married in January and continued with us as Mrs Page until the end of the first term when she left on a trip to Britain. Mrs Maister left, then came back to help us out till June, shortly before her son was born. In the second term Mrs Lees-Jeffries returned to teach at the school and to become Librarian, and we

welcomed back for a second time Mrs Sinton and Mrs Geerrens, both part-time. Finally, Mrs Gwenda Clark became a part-time member of Staff at long last, after figuring prominently in school affairs for many years.

Mr Thomas left in July, giving up teaching for a photographic career, and he was replaced by Mrs Baines.

Once again we have benefitted from the presence of a French Cultural Exchange student, M. Blanchet, whom we must thank for his valuable contribution to school French.

The Centennial Association was wound up in September of this year, and a Centennial Trust established for the remaining funds. Throughout the Centennial years, it has been rewarding for us to maintain liaison with the Old Girls' Association which plays so large a part in the past, present and future of our school. We must pay similar tribute to the Parent-Teacher Association which, in every big and little way, works for the pupils, the Staff and the school.

Seventh Form Notes

At the beginning of the year we were a healthy seventh form of over 80, but this number slowly waned to approx. 70 (we lost a few after the trip to Cass!) From those left we had a very keen relay team in trendy plastic blue uniforms for the swimming sports to compete against the staff but unfortunately, the staff felt they could not take the competition and cancelled the sports using bad weather as their excuse! N.B. blue skies prevailed in Christchurch that afternoon and the seventh form swam on ceaselessly!

Then came the athletic sports — the team for the seventh form was prepared for a walking race against the staff, and when told to run, they ran but at a walking speed allowing staff members to get to the white tape before them. But the staff kindly apologised for winning by providing the 7th form with an especially tasty lunch soon after. (It can be noted that the seventh form politely returned the invitation — even if it was two terms later!)

So much for the early months of the

year. In the cold harsh days of winter the seventh form froze, and certain parts of the 7th Form House came to a shattering finish when a certain seventh former was releasing her overstocked energy by throwing a hard snow ball through a window, the day snow fell on Christchurch.

Excitement was at a peak when on two occasions the form of Mrs H. was seen tearing across the seventh form lawn during assembly! The guilty 7th formers shall remain nameless.

There was the time that the uniform was disregarded for half a day when the seventh form turned up to school in outrageous concoctions of bright miniskirts and tasty shorts, not to mention the fluorescent green and pink colour combinations prevailing. The response tended to be more patronising than appreciative. We called it 'bad taste day'!!

Later in the year the seventh form shocked the school in the review, (the most notable performance was 'Miss Heinz') which ranged from strip-tease acts to staff morning teas, fairy stories and disco dances; a morning thoroughly enjoyed by the sevenths, if by no-one else. Our thanks to Lisa and Penny for their organisation and talent behind those plush red curtains.

All in all, the seventh form have had a social year in their House with many lunchtime memories of toasted sandwiches; where else can you get your honey sandwich toasted and discover the remains of the last person's grilled green peppers on it?

Good luck to all future seventh formers, we hope you enjoy your year in the House as much as we did.

Acland Report

1979 at Acland has been a year of characteristic ups and downs, which comes with hostel living.

The year has been one of improvements in the main house with the laying of carpet tiles, by many generous parents on the "Friends of Acland" committee. Heaters were also installed in the prefects' rooms and two of the dorms upstairs, which was a great improvement in the winter term.

This year a notable number of girls have made great achievements in sport, in attaining positions in school 'A' teams as well as individual performances outside school. The athletic relay team

turned on a fine win over the school on sports day which compensated for our loss in the swimming.

Thank you to our three matrons, Miss Thomas, Mrs Walsh and especially Mrs McFarlane, who has earned much respect through her genuine concern for the well-being of Acland.

I would like to thank the prefects for their assistance and support throughout the year, especially Chris Taylor for her many words of advice and encouragement.

Most girls have had a successful year, both at school and at Acland, and I would like to wish them all the best for the future.

Bealey Crag

The school was delighted to receive a most generous gift this year from Miss Eileen Fairbairn. Miss Fairbairn has given us her cottage, "Bealey Crag" which is just outside the boundary of the Arthur's Pass National Park. Although the cottage can house only a few people in its present form, it has already been well used by small groups during the weekends. Plans are being prepared to extend the hut to accommodate larger groups and work will begin as soon as these are finalised and a permit is granted.

Miss Fairbairn has already become a part of the school, as an affectionately remembered Old Girl and as a former staff member. The commissioning of her portrait which hangs in the school library in recognition of the spirit of dedication and affection with which she and her contemporaries served the school, speaks for her. The gift of Bealey Crag has been made in particular memory of one of Miss Fairbairn's contemporaries, Miss Alison Burns, who also loved the outdoors, and such a practical gift will surely enable generations of pupils to gain an appreciation of the mountain environment.

Centennial Trust

On Tuesday, 11 September 1979 a public meeting was called to dissolve formally the Centennial Association formed so long ago on 22nd October 1974. The Chairman of the Board presided over the meeting at which the minutes of that final public meeting were read and confirmed.

The Treasurer, Mrs Lewington, presented the Financial Statement which had been audited by Mrs Perkins. This detailed and comprehensive statement proved very interesting to all present; most had had little idea of the very large amounts of money that had to be handled over the years. Everyone present was delighted to hear the Association had made a profit of \$11,192.95

Miss Prisk gave a brief report on the Centennial celebrations and the long years of preparation for them. She spoke warmly of the Executive Committee who

had worked so well together and who had put so much effort into every detail and thanked also the many Convenors of Committees and their helpers. Without their efforts, the smooth running of the Celebrations would not have been possible. She referred to the early days of the preparations and to the many anxieties faced by the Committee about the financial success of the venture. She felt that all those involved could look back with pride on those momentous few days.

It was resolved at the meeting that the profit from the Centenary should be put into a Trust Fund to be administered by Mrs Cox, Mrs Lee, Mrs Milligan and Miss Prisk. It was envisaged that any future donations or bequests could go into this Trust Fund.

Finally the motion was put that the Centennial Association should be dissolved. For all those so closely involved with it from the beginning, it was a memorable moment. The Centenary of the school is a high point in its history and the members of the Executive felt privileged and proud to have been a part of it.

Old Girls' Association Report

Our programme for 1978/79 has been varied.

In November our annual golf match was held at Waimakariri Golf Club.

Seventy-one Old Girls' enjoyed a Christmas luncheon at the Avon Park Motor Hotel in December.

"A Visit to India" was the theme of a talk by Mrs Aitken in February.

In March we entertained about sixty pre-1924 pupils in the Assembly Hall. The Junior Choir, conducted by Mrs Seed, sang a bracket of songs.

This year a well attended Annual General Meeting was held in the Common Room at Acland Hostel.

The morning tea at Ballantynes proved popular again this year.

A cold wet morning did not prevent a good attendance of Present and Past Pupils, Staff and friends from assembling at the Christchurch Cathedral for the 102nd Anniversary Service. The First Lesson was read by the Head Prefect,

Emily Loughnan, and the Second Lesson by the Principal, Miss J. Prisk. The anthem, "The Lord is my Shepherd", by Schubert, was sung by the Special Choir, conducted by Mrs R. Stenhouse. Prayers of Intercession were led by our Senior Vice President, the Reverend Carole Graham. After the singing of "Jerusalem", the Reverend Angus MacLeod directed our thoughts on "taking up the cloak".

Over one hundred friends gathered in the Assembly Hall to enjoy fellowship and a delightful meal.

Visits

In October four members of the Committee went to Timaru, where they were joined by representatives of Ashburton, Oamaru and Dunedin for a weekend of reunion.

In April our President, Mrs Julie Thomson went with the Principal, Miss J. Prisk to Blenheim, where they enjoyed the hospitality of that Branch who were joined by members of Nelson Branch for a very happy evening.

Deans House Report 1979

Deans House has enjoyed quite a satisfying year.

We were beaten in the swimming sports in February for the first time in years by Selwyn House, Deans being a good second, well ahead of Harper and Rolleston.

Winter brought competitions of Basketball and Netball between the four houses, organised by our Head Girl, Emily.

Deans did well in our first Netball match, thrashing Harper House in a dramatic and energetic game, (for myself at least – leaping up and down the sideline with some other faithful supporters, shouting loud encouragement), to a towering victory. Our delight was short-lived, however, and Selwyn wiped the court with us the very next day!

Deans performed well at C.G.H.S. Athletic Sports in March with a last minute relay-team scraped together by my good and capable Deputy, Lynette Griffiths. We have good cross country runners in people like Andrea Devine, who has been doing great things for the House and our school.

1979 has not been bad. 1980 might even be better.

Good luck for next year Deans.

Julia Parsons, House Captain 1979

Harper House

Harper started well this year taking 2nd place in the Swimming Sports. Unfortunately, this position was not held in Athletics, we came 4th equal with Rolleston.

Congratulations to Kathy Knowles for receiving the 'Best Producers' award in the house plays, and also to the cast for their excellent performance, taking

second place.

Many girls have received colours for various sports and have enthusiastically worked for orchestra, choir and life-saving groups.

The only interhouse netball competition was a mixture of junior and seniors. Unfortunately, Harper is not suffering from a surplus of netball players. Better luck next year.

Thanks to the members for keen participation and good luck for next year!

Lynne Roberts, House Captain

Rolleston House

1979 has been a successful year for Rolleston in both sport and drama. The highlight was winning the House Play competition for which Brenda Scarr successfully directed and produced 'Geometry' a humourous play based on

school life. Desiree Williamson and Brenda took the leading roles.

Three house members were awarded colours this year – Jill Flaus for Netball, Karen Barr for Gymnastics and Sharon Hollier for Trampolining. Sarah Powell and Joanne McKeachie came first equal in the junior school gymnastics competition and Karen Barr gained first place in the senior.

Sharon Hollier, House Captain

Selwyn House

Selwyn House has not only competed and participated exceedingly well in all fields this year, but, perhaps even more importantly, the House has been well supported and encouraged by a large majority of its members.

We began this year with resounding successes at both the Swimming and Athletic Sports, winning both again as we

defended our title as last years winner.

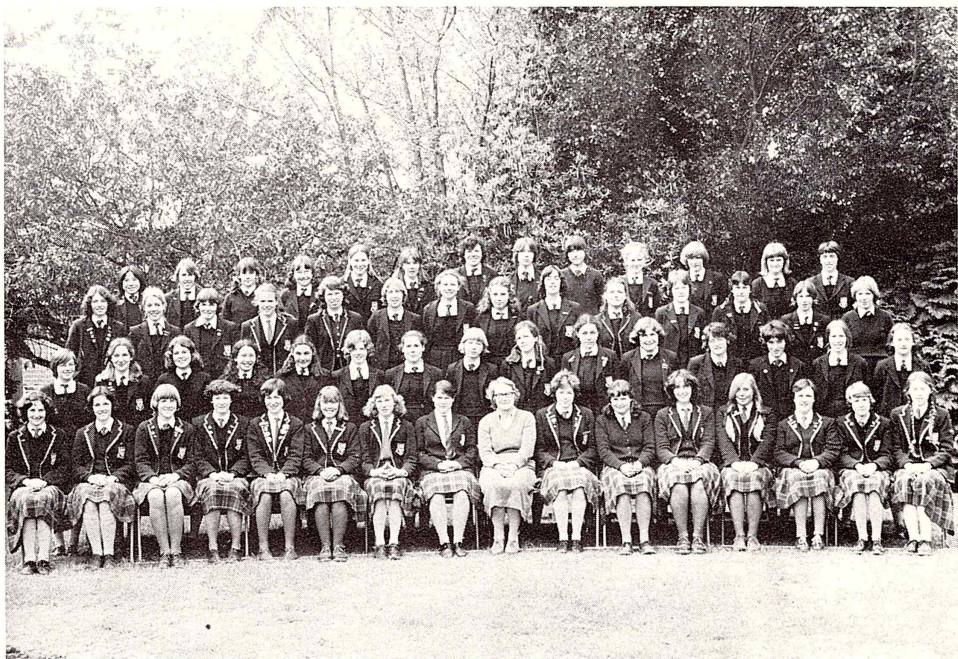

It was good to see the past House Play tradition revived for the second year running, even though we didn't succeed in being placed — maybe next year?

Inter-House competition was taken a step further this year, with play-offs against each other in various winter sports. What we managed to finish (no thanks to a determined weatherman's

attempt to wash-out, frost-out, and anything-he-had-left-over-out, our games!) we did do well in, winning both the Basketball and Netball finals.

Let's hope that the great spirit and high standard within Selwyn House will continue to grow in future years — best of luck to you all.

Airini Caddick, House Captain

The Librarians with Mrs Everist (Mrs Lees-Jeffries not present)

Library News — September 20, 1979

At the beginning of Term 2 we welcomed Mrs Lees-Jeffries as the new teacher-librarian, replacing Mrs Page who left for an overseas trip at the end of the first term. We were sorry to see her leave and we wish her the best for the future.

4L1 won a Canta math competition and their prize awarded to the school library was a 27 volume edition of 'Encyclopedias of the World and its people'. We are very pleased to have this addition along with a generous donation from the Canterbury Savings Bank to buy new books. We are grateful for these and many other

gifts from friends of the library.

During Term 2 a new catalogue file and set of shelves were bought to ease the cramped conditions both in the files and on the shelves. At the beginning of Term 3 more rearrangements were made to help with returning of books and the setting up of displays.

The position regarding the return of books on time and of overdue books is causing some concern, as this is unfair to other library users and so more drastic action will have to be taken in order to remedy this matter.

Special thanks go to Sara Chaney and

Leanne Head for organizing so many very good displays during the year, to Clair McBride as Deputy Head Librarian, to Mrs Everist for her valuable help and to all the people who have given up their time to work in the library.

A. Maccoll, Head Librarian

Junior Drama

The major performance for the Junior Drama Club this year was "Cinderella". It was performed at the variety evening – "Heavens Above" in the latter part of the second term. The cast was as follows:

Cinderella
Prince Perfect
Birdie
Baby
Buttons

Ann McEwen
Cheree Glass
Lynda Glass
Stephanie Creed
Catherine Iversen

A lot of time and effort was put into the pantomime but it would not have been possible without the help of Mrs Ewing. We would also like to acknowledge the assistance of Mrs Knibb, who left the school at mid-term. Mrs Goodrich has now taken her place.

B. Roberts & P. May

Junior Drama Group

Senior Drama

Variety Evening – Produced by Mrs M.J. Tipler.

As there was to be no major production this year, it was decided to combine musical and dramatic talent in a variety evening.

A continuity script, consisting of some chosen skits and others written by the combined efforts of Deirdre Holdgate, Airini Caddick and Desiree Williamson,

provided a link and story between the items.

The format of the variety evening enabled a large number of pupils to participate in the production whether it was behind the scenes or on stage.

Items ranged from the 4th Form Play winner to various selections from the Christchurch Girls' High School Singers and other orchestras.

All in all, the Variety Evening was

enjoyed by those who attended. We extend our special thanks to all teachers and pupils who willingly gave up time and talent to make the evening a success.

Andrea Haberfield & Desiree Williamson

House Plays

The learning, challenging and experimenting of actresses on the theme of International Year of the Child led to the variety of House Plays in this year's competition.

As there was no Senior Drama Club it was the task of several senior girls to produce and present the House Plays for judging, this year done by Elody Rathgen.

First on the programme was Harper House. The producer, Kathy Knowles and her strong cast with Stephanie Liebert, Emily Loughnan, Anne Upton and Catherine Iversen, made a courageous interpretation of 'The Guilty Generation', a futuristic and complicated play. They were rewarded when Kathy received the "Best Producer" award.

Selwyn's co-producers, Deirdre Holdgate and Airini Caddick moulded the play 'Daughters of Invention' well, with their predominantly junior cast – Deirdre Holdgate, Angela Pule, Cathy Dalziel, Ann McEwan, Paula Snow and Kirsten Jottkandt.

'The Geometry Lesson' produced by Brenda Scarr, Rolleston House won the competition.

The play was adapted from the original script and the strong team work of the cast made it a success. The cast were – Brenda Scarr, Desiree Williamson, Susan Wells, Gai McGrath, Samantha Johnson, Margaret Alley and Vicki Carrington.

Finally, Deans presented 'The Second Wedding' a tragic and moving play, co-produced by Andrea Haberfield and Linda Dodge. Their cast consisted of – Katrina Will, Juliet Innes-Jones, Brenda Wills, Stephanie Creed, Ruth Wilkie and Rachael Loveridge.

Brenda Scarr

CGHS Singers

The Christchurch Girls' High School Singers

This year, twelve girls were selected to sing three songs "In Praise of Spring" by Keith Bissell. We were conducted by Elizabeth Smart with Vicki Carrington accompanying us on the piano.

Our first practice for the year was at the Music Camp on May 23-25, where we familiarised ourselves with the songs. On June 7th, we sang at a lunchtime concert for the students at the Secondary Teachers' College, in preparation for the District Finals of the Bank of New South Wales School Music Contest 1979, on June 9th.

The competition was held at Christchurch Boys' High School, where we

gained first place for Canterbury. We were fortunate enough to be chosen for the New Zealand Finals in Wellington, on the weekend of August 11th, where we competed against Nelson Girls' College, Madrigal Singers. Although we did not win, we all benefitted from the experience and had an enjoyable weekend.

We also took part in the school's Variety Production singing 'Ain't She Sweet' and 'Send in the Clowns', which enabled us to sing a different style of music.

Many thanks to Mrs Stenhouse for her time and energy spent in training us during the year, which helped us to attain such a high standard.

Julie Prinsep

Junior Choir

At the beginning of the year about 100 girls joined the Junior Choir. However, the numbers soon dwindled to between 30 and 40 girls.

In March we sang to the pre-1924 Old Girls' at a function at school.

In the first week of the second term we went on a music camp at Living Springs. We learnt three folk songs. Later

in the term we sang four folk songs in the Variety Evening. Catherine Johnstone and Milja Albers were soloists.

In the third term we sang at the Cathedral Service. On September 25th, we sang six songs at the Canterbury Women's Club. Later this term we hope to go carolling.

Julia Fitzgerald

Special Choir

This year has been relatively busy for the special choir. Practices have been held every Tuesday afternoon from 3.40 p.m. until 4.30 p.m. to prepare us for various functions. The first was for the Easter Assembly in which we sang two traditional Easter songs. After that was over we were divided into two separate choirs to compete in the Wales Bank Schools' Music Contest. From then on rehearsals were centred around this competition. Mrs Stenhouse took the Christchurch Girls' High School Singers and Mrs Seed took the Armagh Choir. The Music Camp came and went with both choirs working hard on their songs. It was a lot of fun though. Competitions were drawing near, pressure was really on.

On the 7th June, we sang at the Teachers' College lunch-time concert. This was really a dress rehearsal for the competitions that started two days later. With competitions out of the way we were back to the quiet life again. We had a rest for a couple of weeks and then we were right back in it preparing the anthem for the Founders Service at the beginning of the third term.

The year's activities have concluded with an evening singing with the Harmonic Society Choir and a 'pot-luck' supper and games for everyone at St. Barnabas Church Hall.

It has been quite an eventful year and we hope it will be just as good next year.

The Special Choir

Armagh Choir

For the first time this year, the Special Choir was divided into two groups, one of which was the Armagh Choir, so that we could enter the Bank of New South Wales Chamber music competition held in June. Under Mrs Seed's capable leader-

ship, we have enjoyed ourselves in preparing for the competition and have gained valuable experience in choral singing.

We also participated in the Variety Evening held later on in the year, which

was a lot of fun and an interesting experience.

Our grateful thanks go to Mrs Seed for her devotion and we hope that next

year will bring more opportunities for the Armagh Choir.

Junior Orchestra

We began the year by learning two tunes by Edward Greig. They were "An Old Church Tune" and "Bridal Dance". These were performed at the major production "Heavens Above".

At the beginning of the second term, we went to Living Springs for our Music Camp which was thoroughly enjoyed by all.

Now we are practising for the Christchurch Boys' High School Junior Prize-giving. Following this we hope to play a selection of Christmas Carols for the patients at Burwood Hospital.

Many thanks go to our conductor Miss Doyle for an interesting and enjoyable year.

Angela Wilson & Tryphena Henkel

Senior Orchestra

On Mondays at lunch time the Senior Orchestra could be heard practising hard

under the direction of Miss Doyle. Although the Senior Orchestra broke up for a few months because the String Section was practising for the Bank of New South Wales Music Contest, it still managed to come together as an orchestra for the Girls' High Variety Production in which it played "The Typewriter".

During the Music Camp, held on May 24 and 25th, at Living Springs, the orchestra managed to find time to play a few pieces together with the Junior Orchestra, including the theme from "Dr Finlay's Casebook", which was later performed at the Boys' High, Girls' High combined P.T.A. meeting.

Our special thanks to Miss Doyle who has given up her time to make this year a very successful one. We would also like to thank Mrs Stenhouse for all her help and encouragement throughout the year.

C.G.H.S. String Orchestra

After many hours practice, including three days away at the music camp at Living Springs, the C.G.H.S. string orchestra found itself competing one Sunday afternoon in the Christchurch section of the Bank of New South Wales School Music Contest held at Boy's High School.

As we were the last orchestra to play, we didn't have long to wait until the judge announced her decision, and we were thrilled to find that we had been awarded First place before the Conservatoire and Boys' High School string orchestras.

If the hours had been long and hard before this performance, we certainly had a busy time afterwards — arranging

uniforms, billets travel arrangements and practising and practising and practising . .

And so it was, with the junior members of the orchestra promoted to senior uniform for the weekend, that we finally left for Wellington early on Saturday August 12th, ready to compete in the National finals the following day.

We played to a packed Concert Chamber and then settled back to listen to our rivals — Kings College. After a very lengthy report from the judge, we were placed Second.

This success would not have been possible without the long hours Miss Doyle spent with us perfecting our music and I am sure that I speak for everyone when I thank her very much.

The Wind Band

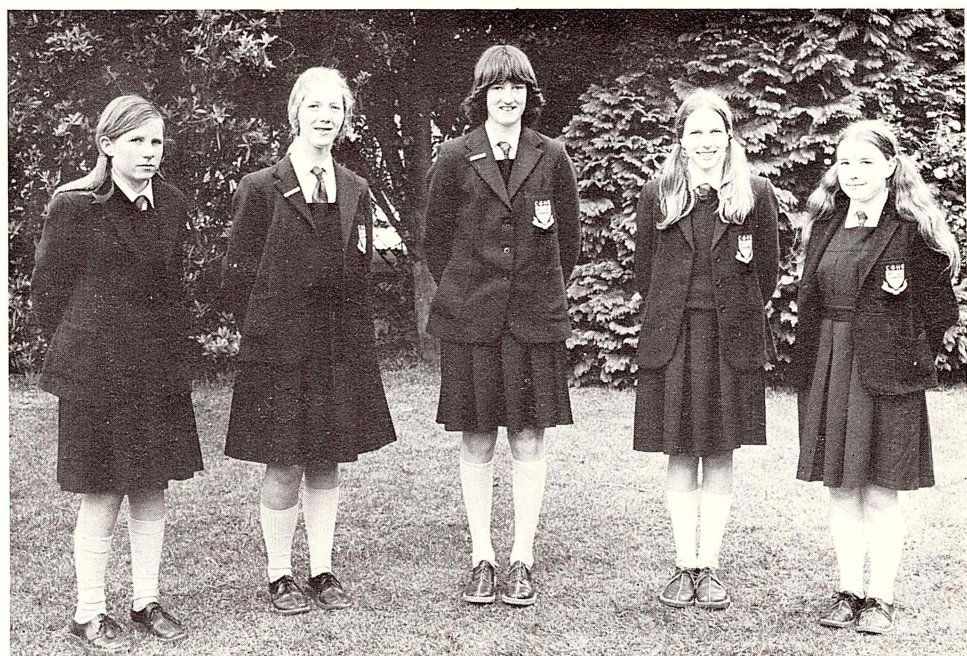

The Wind Band is a small group of players who enjoy playing music written mainly for woodwind instruments. Our conductor is Mr Ross McKeich, who is the itinerant teacher for the oboe.

We meet every Wednesday in the music room from 9.50 to 10.30 a.m. Our selection of instruments ranges from clarinets, oboes and flutes, to a bassoon and a cello.

In September, the band performed at

the Christchurch Secondary School's Band Festival. We played Handel's 'Music for the Royal Fireworks'. This was most enjoyable as we had a chance to see and hear other bands performing.

We hope to carry on with continuing interest and enthusiasm within the group.

Michele Prinsep

The Recorder Group

This has been an eventful year for the Recorder Group. We have played at many functions including a concert at Teacher's College, the Variety Evening, a combined Boys' and Girls' High School P.T.A. and a performance at E.M.S.O.C. (Early Music Society of Canterbury). We entered two groups into the 1979 Bank of New South Wales School Music Contest, from which we got a promising and encouraging report.

Our thanks go to the Lowes who kindly lent us their set of Renaissance recorders on several occasions; to Mr Forsythe who helped us achieve our high

standard in the competition; to the Stokes who offered their home for several practices and transported recorders; and to Miss Hunt who has faithfully helped and endured us for 1979.

Debating Report

This has been another successful year for the Debating Club under the guidance of Mr McMahon.

Senior Teams have won debates twice against C.B.H.S. and once against Mairehau, Shirley Boys' High and Xavier.

A very successful evening was held at Boys' High in August, the highlight of which was a debate in which Gai McGrath, Emily Loughnan and Nanette McLachlan argued their case, 'That there is always someone looking over our shoulder', to win, by a narrow margin.

Other enjoyable motions this year have included:—

'That modern youth makes proper use of its freedom'

'Education for girls is a waste of time

Interact Club Report

Interact comes of age! The most important step in the growth in any Interact Club is to receive its Charter. Girls' High shared this event with Rangiruru on September 18th. This event took place at Rangiruru, where both clubs received certificates and several gifts — a silver bell and a gavel.

With Mrs Tipler's help and direction we began a successful start to the year. This year Lisa Yates, Penny Clifford, Kristin Walker and Bronwyn Davies were elected as Secretary, Treasurer, Vice-President and President.

A combined Interact Committee was formed at the beginning of the year, where upon a Black and White dance was organised and held at Boys' High. The Committee was made up from members

of the Interact Clubs of Girls' High, Boys' High, Villa Maria and Rangiruru.

Within the school this year we organised a tutoring system, also a club newspaper and the annual event of the Junior Dance. Our major charity event was the Easter Egg Appeal, we repeated this event this year due to the success from last year's appeal. There were other fund raising events of various kinds, with the money raised going to various sources. One example is the donation to the Drop-In-Centre for the handicapped being organised by the Y.M.C.A.

This year there was a District Conference for all Interact Clubs in the South Island, held at Westport during the August Holidays — Andrea Haberfield, Desiree Williamson and Bronwyn Davies attended this conference. Overall, we had an enjoyable time and feel that we returned to Christchurch with some new ideas, and friends.

I would like to thank all those who contributed to the club this year, especially Mrs Tipler who has been a

tremendous support to us and we wish her well for her forthcoming overseas trip.

Interact is a club which rewards the efforts put into it, the more you put in, the more fun and reward you get.

We certainly have had our fun this year and hope next year's team will get even more fun.

6th & 7th Form Economics Club

1979 saw the beginning of a new club within the school for 6th and 7th form Economics students.

We met on Tuesday afternoons for 1-2 hours, depending on numbers and the subject. Each meeting started with a presentation by one person and building on that, by the members, we developed discussions and broke into other issues of interest or topical incidents through the media, accompanied by cups of coffee!

Mr Sutton established the group in the first term and arranged for visits from outside speakers, for example, Professor Lee from the University talking on the Role of Women in the Greek Society.

Regular members were:— Catherine Syme, Sian Sanders, Tracey Bingham, Linda Dodge, Tracey Hunter, and Michaela Walker, although we had hoped for a slightly better attendance.

The meetings have been very worthwhile and widened our general knowledge on current events and social issues. I hope that next year the appreciation of the club will be as great.

Michaela Walker

Inter-School Share Investment Competition

For the first time Christchurch Girls' High School entered into the Share Competition organized by the Institute of Chartered Secretaries and Administrators.

There were 114 schools participating, and each school was given an initial \$5,000 (imaginary of course) to invest in shares. Each fortnight after that we were given a further \$1,000 and we could buy more shares and sell others. The main aim was to have the highest value portfolio.

We received fortnightly reports showing our position in relation to other schools — our ranking fluctuated but at one stage it was as high as 23rd. The end result was 60th which is not particularly impressive but we enjoyed playing and learnt a lot about the stock market which we had little knowledge of before.

The team varied with people joining and dropping out constantly, but the core was made up of Michaela Walker, Tracey Hunter, Catherine Syme, Lynda Dodge, Gill Genet and Tracey Bingham, under the guidance of Mr Lynskey and Mr Sutton.

Duke of Edinburgh Award Scheme

The Duke of Edinburgh Award Scheme is a programme offering young people help and encouragement to discover their own capabilities and investigate new possibilities.

This year we have over 50 girls working on the Bronze and Silver Sections of the award. About 10 girls have received their Bronze awards and several have completed the Silver Award.

Girls have covered a wide range of activities. Interests have included many sports, hand crafts and gardening. Cycling is a popular choice for the expedition section and activities in the service section have been centred on community service. Later in the year a successful Design for Living course "You and Your Surroundings" involving ideas for improvement of our surroundings and pollution prevention was held, and Mrs Chisholm again ran a course, at Silver level, on Cookery, Nutrition and Entertaining.

7th Form Biology & Geography Trip to Cass

March 2nd — 4th; March 9th — 12th

Generally this trip involved a good time for all concerned and enabled us to put into practice what our teachers preach.

Although it was considered as a general holiday by the 7th Form, we were able to complete a large amount of pract-

We shall always remember our famous Biology Lesson standing in the middle of the Hawdon River with water 0°C swirling around our knees amidst a howling gale, counting out plant samples, while trying to beat off the carnivores.

The 7th Form would like to thank all the staff involved.

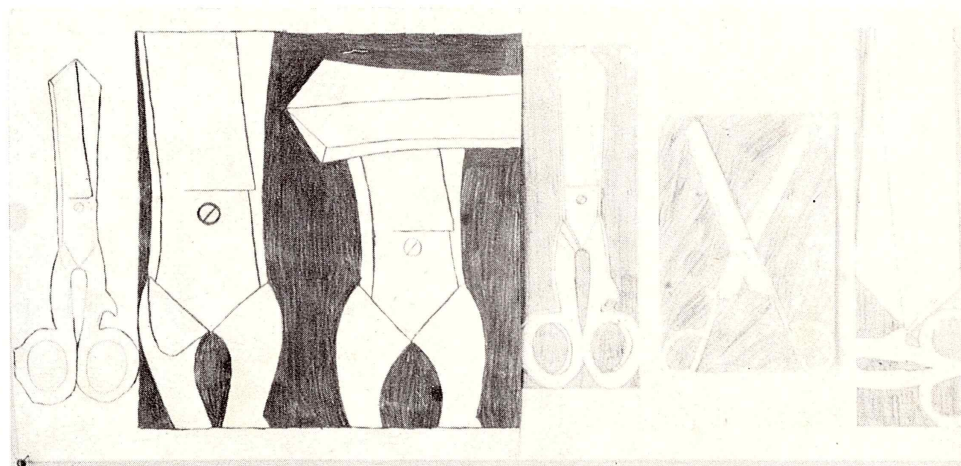

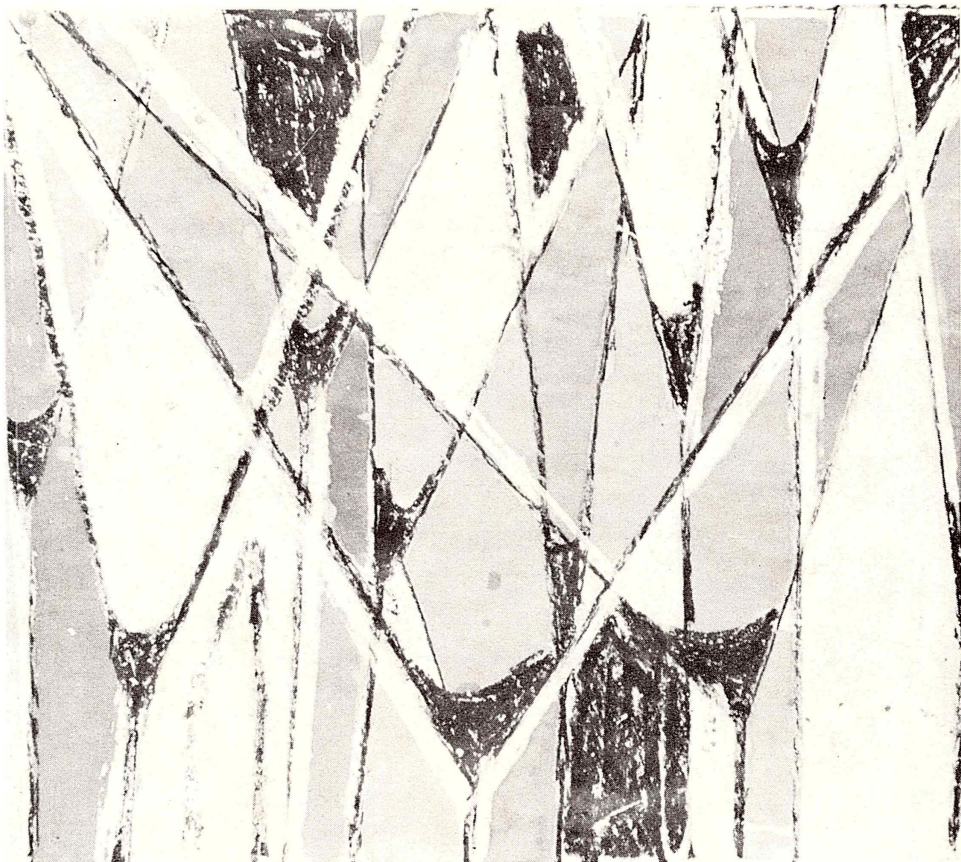

Ecology Club

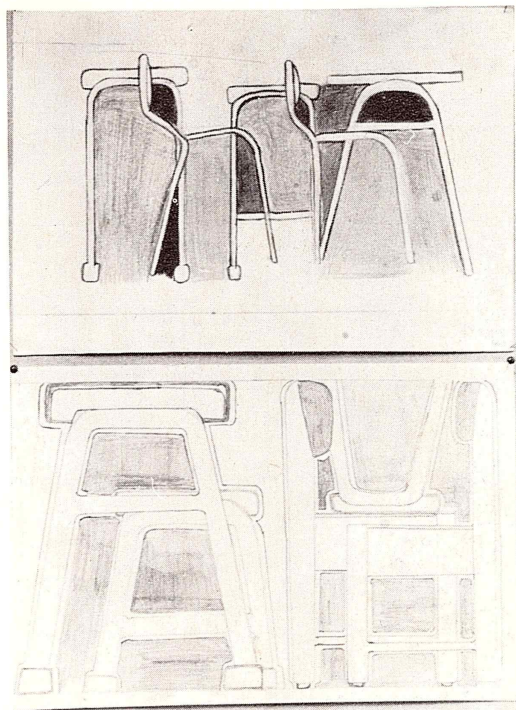

One of the main events during 1979,

was the weekend trip to the Boyle Lodge in the Lewis Pass. This trip was great fun. We went on a day-long tramp, Morepork and frog observing at night, as well as bird watching.

Another significant activity was the 'Endangered Species' display the girls prepared and exhibited in the Town Hall during Conservation Week.

Other activities have included trips to the Sewage Works, Orana Park, films on N.Z. Wildlife, and helping the Avon Loop Planning Association recycling programme.

Archery

This club started in the first term with 18 girls, 1 bow, 6 wooden arrows and a target borrowed from the Christchurch Archery Club.

Lack of gear is the greatest problem. This has been temporarily solved by Burnside High and Christchurch Archery Clubs, who have lent us target butts, bows and arrows every Tuesday afternoon. The Christchurch Club Secretary, Joyce Cattermole and two friends from Burnside High help to coach us. There has been an average of about 12 girls at the practices, held behind Room S on Tuesday. All are doing very well with regular practice.

We hope, soon, to get some equipment for the school so that archery can continue to be available as an individual sport for both athletic and non-athletic girls.

Athletics Report 1979

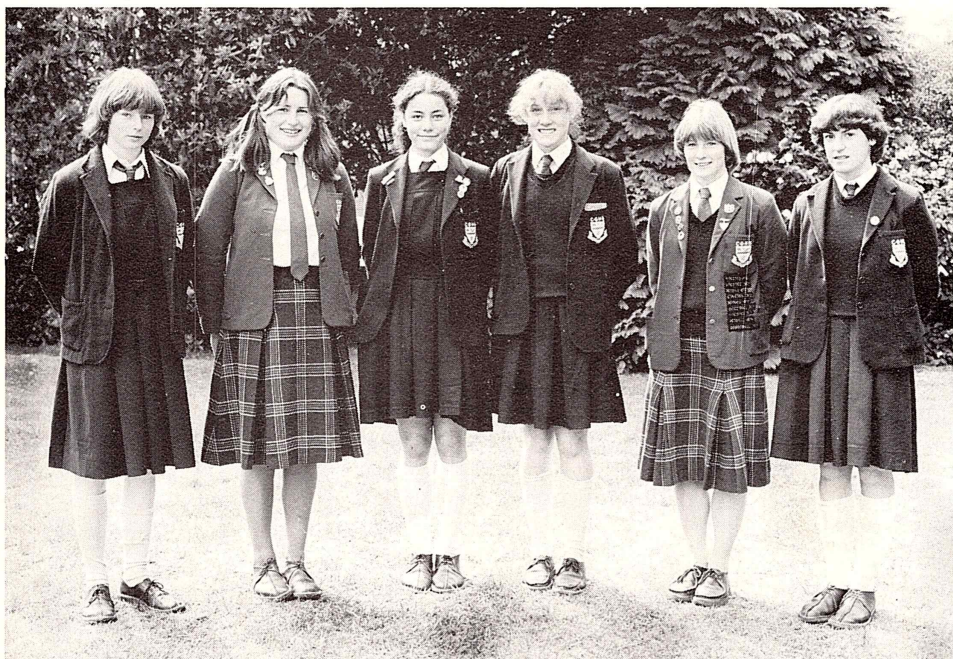

This year has seen a marked improvement in our athletic performances.

Our school sports showed a depth of talent in some new juniors, and a keen sense of competition between the grades. The Intermediate Championship was won by only one point after a struggle between Penny Andrews and Michelle White, the cup finally going to Michelle.

Two promising juniors emerged this year; Shelly McLean in the sprinting events, and Andrea Devine in the longer races. Another promising athlete is

Angela Pule, who has had some outstanding wins. A lot will be seen of Angela in the future.

The Christchurch Intersecondary Championships with a larger than usual C.G.H.S. team competing, managed quite a few more placings than usual. In fact, the names of place getters form a list too long to include in this article.

This led to the South Island Secondary Schools' Championships, held for the first time in Christchurch. Because of our large representation at school level, we had more girls competing in this meet. The placings are as follows:

S. McLean	Junior 100m	1st
	Junior 200m	
A. Pule	Intermediate 100m Hurdles	1st
P. Andrews	Intermediate 400m	3rd
D. Snow	Senior 400m	3rd

Representing the school at N.Z. level this year will be four girls mentioned above. We wish them all the best for their respective events.

I would like to thank Mrs Hooke for all the time and effort she has put into

training and organising this year, this has been greatly appreciated.

Badminton

This season three teams were entered in the Inter-School competition, all showing great improvement as the season progressed.

Coaching began well in the first term with over eighty girls attending three lunch times a week. Unfortunately this was discontinued due to conflicting activities in the hall, but with the new gym we look forward to better things in the coming season.

Girls' High had a large number of entrants in outside tournaments this year.

Canterbury Junior Championships; — Sarah Bendle and Alison Knight runner up in Under 14 Girls Doubles, and both in semi finals of the girls singles. Joanne

Colours were awarded to Sally Williams.

Basketball

With only one girl who had played 'A' grade basketball before, the forthcoming season did not appear to be a bright prospect. However, with the acquisition of our new coach Rodger Brouwer, the prospects looked much brighter.

Before too long a national training squad was selected and these ten players became the 'A' team for the season. This team practised three times each week and played in the regular Friday night competition.

After qualifying third in the Zone Four Tournament, we failed to qualify for the National Tournament being beaten by Aranui 31-32. We then decided to enter the South Island Tournament, became the top seed, but at the last moment our trip to Timaru was cancelled.

The team performed better as the season progressed and by dropping only five points from fourteen games in the Friday competition, we were successful in winning the Christchurch Title from ten other schools.

During the season we played 21 games, won 15, lost 5 and drew 1, with 582 points for and 466 points against. The 'A' team players were Kathryn Wild, Deirdre Snow, Penny Andrews, Karen Smith, Megan Ryde, Angela Pule, Lynette Griffiths, Michelle White, Rosanne Hartley and Angela Hughey. Colours were awarded to Kathryn, Deirdre and Penny.

All the best for next year and I hope the 'A' team will be successful in qualifying for the Nationals of 1980.

Cricket

Once again this year we fielded a young, inexperienced, but very eager team. Although occasionally we suffered losses, they were due to lack of time, rain, no refreshments and generally bad luck — (of course).

However, our wins were a great encouragement to the girls and showed the potential of a successful team.

Unfortunately, this year's annual trip to Marlborough was cancelled, but we look forward to similar competition against Waitaki Girls' High.

The notable improvement of the team throughout the season is encouraging for coming years.

Cross Country 1979

Cross Country running is the school is slowly on the increase. Lunchtime training runs were planned, and a few

keen girls trained regularly.

This year, there was an incentive to training as Intersecondary Cross Country Competition was arranged for Wednesday afternoons, and as the competitive element is not necessary to run these events, many standards are catered for.

The highlight of the season was the School Cross Country Championships. The girls racing in this event numbered all of 7, the small number owing to many injuries, and the fact this is the first time an event of this nature has taken place. However, the races were fast, and competition hard.

Junior Champion: Andrea Devine

Intermediate Champion: Penny Andrews

Senior Champion: Debbie Stringer

At this stage I would like to thank Mrs Chinn, who has put a great deal of work into this year's season. She has arranged, and participated in the lunch time runs and along with Mrs Hooke

arranged our highly successful School Championships, run around a course at Hagley Park. Most of the incentive for

the girls has come from Mrs Chinn, and her efforts have been greatly appreciated.

Fencing

This year saw many new activities for the Fencing Club, which comprised a small, but enthusiastic group of people.

We decided early in the second term to join forces with the Christ's College Fencing Club, and continued to fence with them most Fridays. On Tuesdays we also held a coaching session with V. Moffat. As well as these regular fixtures we have fenced with Villa Maria and Christchurch Boys' High Schools on several occasions.

The Club as a whole attended several outside competitions – these proved to be quite an experience, especially for the juniors.

In the Canterbury Secondary Schools' Competition the A team gained a very

creditable third place (in spite of strong opposition). Well done!

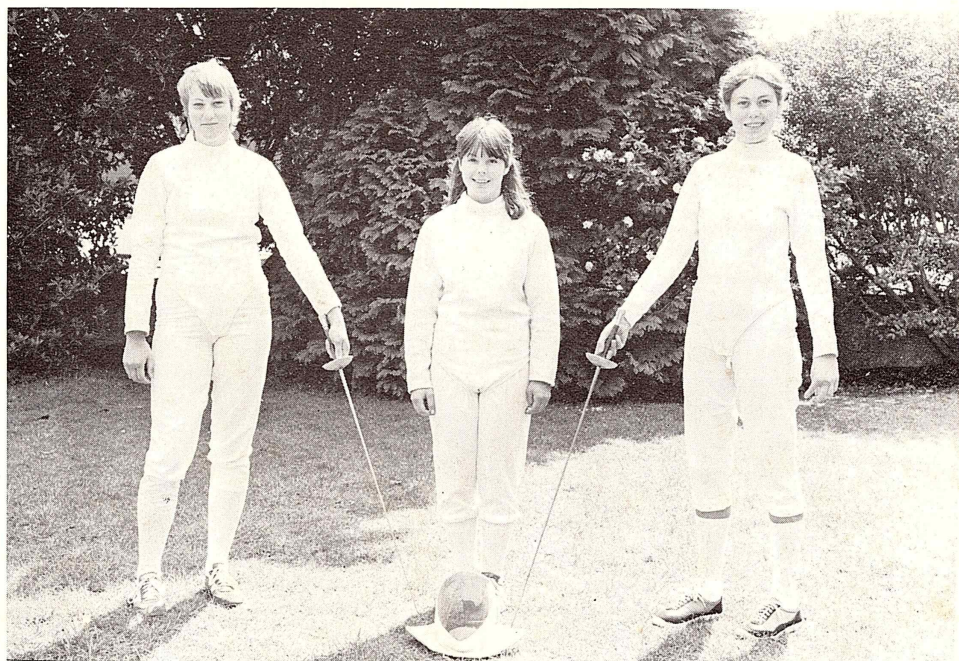

Katrina Griffiths was once again selected to fence for the Canterbury A Team at the Nationals in September.

I am sure that we would all like to thank Mrs Hooke and Mrs Bracey for their unerring support. A special thanks to Mrs Bracey for all the moral support and hours spent sitting in cold halls, watching us fence. Thanks also to the mothers who very kindly ferried us to and fro.

All of these people contributed to a very enjoyable and successful year of fencing.

I wish you all good luck for the next year.

Inter Secondary Schools Gymnastics Competitors

Gymnastics

This has been a successful year for gymnastics at C.G.H.S. This year was the first year for badge work in which all girls showed great enthusiasm.

Many teams entered in the Inter-secondary Championships at Cowles Stadium on July 16th.

Grade 7 team was placed 12th.

Grade 6 team 4th.

Grade 5 team 2nd, with Joanne

McKechnie gaining an individual placing 2nd.

Grade 3 team was placed 4th.

The School Championships held in

August were won by:

Junior	Joanne McKechnie and Sarah Powell 1st=
Intermediate	Bernadette Bendall
Senior	Karen Barr

We wish to thank Mrs Spear, for all her help in making this a successful year, and Mrs Hooke for all her help and guidance throughout the year.

We would like to thank Nicky Mears for her help in coaching at lunch-time and all the girls for their enthusiasm and friendliness which made this coaching most enjoyable.

Hockey

This year has been rather successful (as far as weather goes). Otherwise it has been an uneventful season, winning as many games as we lost.

Miss Minehan took "control" of the A and B teams and with her continuing

dedicated efforts we had a lot of fun at our numerous practices.

The proposed visit to Oamaru to play Waitaki Girls' High did not eventuate due to the condition of playing field, much to our disappointment.

Thank you to the members of staff

who sacrificed much time and energy to coach and organise teams.

Congratulations to Julie Overton who gained a position in the Malvern under 18 'rep team', and also to Airini Caddick on being selected as goal keeper in the Canterbury under 18 team.

Netball

Once again there has been a terrific participation in netball this year with six senior teams and two third form teams taking part in Wednesday afternoon competition.

The Senior A team was particularly strong this year and after beating Sacred Heart went on to win the final of the Christchurch Secondary Schools Competition. The main aim for the A team from here was to go on and win the South Island Secondary Schools tournament which was held in Nelson in the last week of the August holidays. Unfortunately injury to a team member prevented the original team playing at this tournament and there was a mild panic to find a

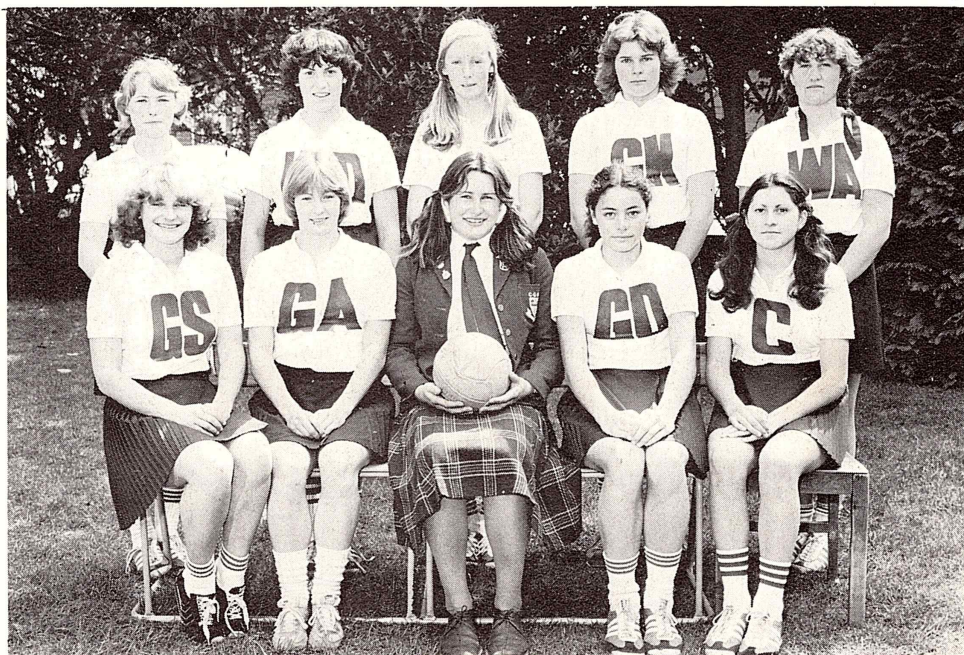

replacement defence for the team.

I am sure all the netball girls would like me to thank their coaches, who have given up valuable time during lunch hours and after school to take practices and to organize teams. Thanks go to Mrs Polson — third form A and B team coach, Mrs Harrison, Mrs Schumacher, Mrs Stribling — Senior coaches and Mrs Snow — Senior A and B team coach.

During the second term a round robin class netball tournament was held during school lunch hours, where every form class competed against each other. The overall winners were 7H, with 5H and 4F second equal. I would like to thank all those girls who played for their class teams and the members of senior teams who helped umpire and score. Sideline support was also tremendous and I am sure the excited atmosphere they created must have urged their friends on.

Congratulations go to two girls from the school who have been selected as Canterbury Netball Reps this year, they are:—

South Island Secondary Schools Netball Tournament

This year's tournament was held at Nelson, in blistering hot weather. We arrived, played, and left in sunshine, which no one had been accustomed to. The result, was hot, tired girls, and sore blistered feet.

As we won the Christchurch competition, we went up to Nelson reasonably confident of a good performance, and possibly a place in the final. This, however, was not to be.

In our section we encountered Nelson Girls', the top Nelson team, Central Southland College, the top Southland team, Mercy College the top Timaru team, and St Peters, who were hoping to win a section. Our first three games, on the first day, were against Nelson, C.S.C., and Mercy. We won the third game by one point, and just lost the first two games. We went on to win the rest of our games, but our chances of reaching a semi-final were gone. We did however have a most enjoyable tournament, and our losses didn't dampen our attitude to our remaining games.

I would like to thank Penny Andrews who filled in for us at this tournament. Our G.K., and Captain, Nicky Moore, was unable to play because of a knee injury, and we were unable to find a girl willing to give up five days of her August holidays to come to tournament, or to contact girls staying out of Christchurch. Penny saved the trip for us, and learned how to play Netball. She had previously only played Basketball, but was quick to learn the new and different netball skills. Her help was greatly appreciated.

I would like to thank Mrs Stribling, who was our manageress, treasurer, part-time mini-bus driver, as well as our part-time mother. We would like to thank her for the time and effort she put into this trip.

We also thank Mrs Snow who coached

us, and gave up her time to take us in the holidays. Without her we would have been unable to get as far as we did. We can only apologise for not winning our section, although we tried as hard as we could. (No thanks to the draw). We must also mention Mr Snow, who came as our mini-bus driver, and drove us all over Nelson.

It was unfortunate that Nicky couldn't have been with us, as all the girls enjoyed the trip.

Deirdre Snow

Sailing

Much enthusiasm was shown by certain members of staff and pupils for the formation of a school sailing club earlier this year. Although an official club has not yet been formed, certain activities were held to promote the interest of the school in a sailing club, which were most successful.

Just before the May holidays the Ballins Optimists were hired by the school for the use of any interested girls. I am sure that those people who participated enjoyed themselves immensely. A great improvement was noticed by both skippers and onlookers in the sailing abilities of the helmsmen.

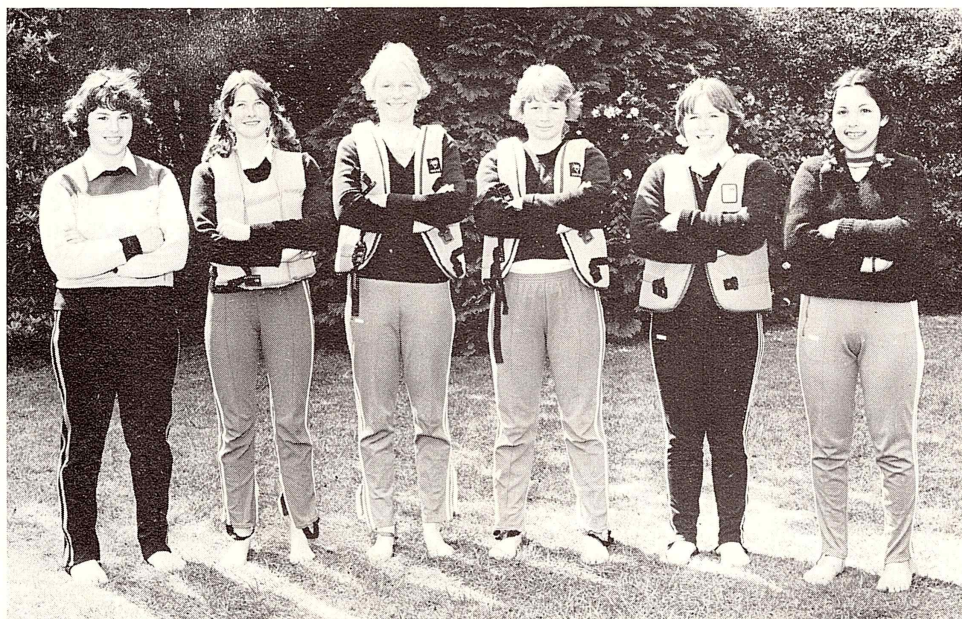

Another event that took place was the Secondary Schools Regatta. There were six girls entered from our school. Not only did they race well, but they all represented Christchurch Girls' High well. Thank you to Mrs Hooke whose enthusiasm and help has been greatly appreciated. I hope that by the end of the next school year the school will own its own yacht (or yachts!!) for pupils to learn in and use.

C.G.H.S. Ski Team

The 5th Intersecondary School Ski race was held at Mt. Hutt on September 17th. Girls' High entered a team of four:- Lisa Yates, Prue Yates, Vicki Carrington and Corina Dickson, with Penny Eaton as reserve.

The giant Slalom was run in the morning, conditions being sunny and the snow fairly hard packed. Vicki, unfortunately,

suffered a heavy fall in this race but managed to recover sufficiently to run in the slalom.

Competition was noticeably stronger in the Slalom race, held later in the day. All 36 schools competing had a remarkably high standard of skiing. A feature of this competition is that it turns an individualist sport into a team effort. Accordingly, comradeship and sportsmanship is well displayed by all involved.

All members of the team had credit-

able times, with C.G.H.S. finishing 3rd in the Girls Team Section.

We would like to thank the school for supporting us, Mrs Chinn for her time and effort, and St. Margarets College and Christ's College for hosting the race.

Next year, Girls' High is hosting the race with St. Margarets. This will hopefully raise the standard and awareness of this sport within the school.

1979 has been a thoroughly enjoyable year for softball with all five teams competing well in the mid-week competitions and the 'A' team winning against the visiting Marlborough team.

The coaching of all teams has been very much appreciated and thanks must go to Mrs Chinn and Mr Britt for giving up their time in the coaching of the teams. Five girls represented Canterbury

in the Canterbury A Senior School Girls team; Pip Lawson, Airini Caddick, Nicola Moore, Krissteen Smith and Lynette Griffiths.

I would like to thank all the girls in the teams this year for their good spirit and wish the best of luck of those playing in the coming season.

This years swimming sports at Sockburn Park Pool, were interrupted with bad weather and so all relays had to be postponed and later continued at our own school pool.

Championship cups were won by Susan Byrne (under 14), Debra Keech (Junior), Shelley Dean and Julia Parsons (Intermediate), and Colleen Coulter (Senior).

The Inter-secondary Sports were held at QEII. Results were as follows:—

Sharon Hollier 2nd Open Girls Diving
 Jenny Perry 3rd Girls Junior 50m Backstroke

The South Island Inter-secondary Sports were also held at QEII. Sharon Hollier took a 2nd in the Open Diving, Debra Keech a 2nd in the Under 15 100m freestyle, and Jenny Perry a 3rd in the Junior Backstroke.

Colours for 1979 were awarded to Debra Keech, Colleen Coulter and Lynette Griffiths.

I would like to congratulate all the swimmers for their sportsmanship and for participating well for the school. I hope this will continue in the years to follow.

Life Saving

Great enthusiasm was again directed towards Life Saving this year with juniors playing a major role in the work towards badges. This was shown in our well-deserved placing for the shield (given to the school with the most awards passed) as we came second only to St. Margaret's College.

Credit should again go to the great efforts and success of our Monica Thacker team which came runner-up this year despite two members being handicapped by influenza.

Table-Tennis

This season the club entered two teams in the Intersecondary School Competition. Both teams played well and with enthusiasm, with the A team coming first equal in their section. Unfortunately, they lost to Sacred Heart in the finals.

The number of girls joining the club this year was high, and practices had to be held every day to cater for them.

Thanks go to Mr McMahon for his time in coaching girls and for his support, and also to Amber King for her time in supervising groups which was much appreciated.

Three teams were entered in the Wednesday competitions, in which the C.G.H.S. 'A' team finished third in the A grade. The two teams in the B grade performed very well, winning a large proportion of their games.

At the end of Term I a very successful school tournament was held with the final being won by Leslie Egnot from Carolyne Feary. The winner of the Plate was Prue Yates, and Michelle Olsen won the Division II Final.

Tennis

The Girls' High tennis teams once again had rewarding results in the Inter-school Tennis Competition last season. Both the 'A' and 'B' teams were undefeated in their respective grades and the 'C' and 3rd form teams also had very good results. The enthusiasm of the girls involved in tennis this year appears to be a sound base for continued success.

Many girls have also made individual noted performances outside school, gain-

ing recognition in provincial teams, and various coaching squads including the selection of Sally Hughey and Christine Taylor in the Canterbury Secondary Schools team which competed in Australia earlier this year.

The Senior Singles Championship was won by Julianne Taylor who combined with Christine Taylor to win the Doubles.

I would like to thank Mrs Bannehr, Mrs Hooke and Mrs Clemett for their coaching and organisation of the teams and also the members of the 'A' team for their assistance.

Trampolining

Trampolining has been enthusiastically supported this year. Many girls have shown a marked improvement and this is reflected in the large numbers sitting badges (C.G.H.S. had the largest turnout from all over Christchurch). Most passed and are willing to try for their second badge in December.

The inter-school competitions gave many the chance to prove themselves at their first competition. Many rules and regulations confused some competitors and resulted in lower marks but an understanding judge discussed these and the girls improved upon their subsequent performances.

I would like to thank the three girls who made the year so rewarding and my task of organising easier; they were Katherine Walker, Margaret Hewitt and Debbie Miller. With such large numbers interested in this activity and a gymnasium of our own now, perhaps a second trampoline is warranted.

Volleyball

1979 presented another good year for the school's Volleyball teams. Senior A, B, C, Junior A and B were all entered in local competitions on Thursday and Sunday nights where they all played well.

All teams were entered in the Christchurch Regional Tournament where both Junior and Senior A and B teams proceeded to the South Island Zonal Tournament

held in Christchurch. Senior A were placed 2nd and Junior A 3rd, so in May both teams travelled to Tauranga for the Intersecondary National Tournament. The trip was enjoyed by everyone and we would like to thank Miss Fastier and Mrs Hooke for helping us make it successful. Senior A and Junior A both finished 10th.

The 2nd term finished well when the Senior 'A' were placed 2nd to C.U.A. in the South Island Club tournament. Club nationals are to be held in Christchurch in early October.

Congratulations to Lyn Gifford, Yi Sheng Yee and Leslie Egnot who were selected for the South Island tournament team after the Zonal tournament. Leslie Egnot and Pru Yates were selected for the Junior National Squad after the National tournament in Tauranga.

I would like to give extra special thanks to Miss Fastier who has given us many hours of her free time to coach and train us. She has also entered us in many out of school tournaments. Also, Mrs Hooke who has helped coach teams and has given us her support.

We began with a great deal of enthusiasm. The team list was drawn up, ballots were held for positions. The first practice was set. With all of seven players we attempted to learn and master the skills of rugby. It soon developed into a mud slinging brawl. That was it!

Those "Innocents Abroad"

In case any girl has managed not to know about Malaysia through me; it is a peninsula sitting at the edge of the great Asian continent. It stretches, in the shape of a pineapple to end, interestingly, beside the island of Singapore.

Malaysia, my homeland is most certainly not like New Zealand. If you say the word Malaysia! with a soft hushed voice, it spells magic, dancing green fronds, deep sensual starry nights and gently floating sea breezes, say it loud and vibrant, MALAYSIA, brings forth the reality of life and death, the spirit of patriotism yet of depthless despair in poverty, of a people struggling to be independent and free. This is Malaysia!

I have always been asked by people, why I chose, of all schools in the whole of New Zealand (and that includes the North Island too), Christchurch Girls' High School. To tell you the truth, I don't know, or to be exact, it was the first school on the list of schools offered to me and since I was then totally ignorant of the great gulf which exists between an all-girl-school in Christchurch, and a co-ed college in Auckland, I simply picked the first school. I know better now.

Of course, that does not mean that I now regret that irrational move on my part. On the contrary, I applaud myself for being so wise. To all present and future girls of C.G.H.S. I wish to say this: very few schools in this world can match C.G.H.S. in its impeccable rules, classrooms (the classrooms are like ballrooms compared to the ones I had back home) and most of all, the irresistibly friendly and helpful teachers.

However most of the time, I find that students are being spoon-fed by the teachers: every single detail of information is provided, it only requires effort on the students' part. (Most Malaysian teachers believe in allowing students to sweat and grovel as much as possible so that their brains will not rush in the humid tropics!)

One of the first few words I learnt from the 7th Formers was DIET. (No, I'm not talking about the Imperial Diet

(Cabinet of Ministers) of Japan). I could (still cannot) not understand why they should fuss. Most of them look practically willowy to me and for those who seem slightly larger, well, what's wrong with a bit of flesh on your bones, I ask you? No, I think the fault lies in the girls' concept of the word 'sweet'. Girls here seem to avoid sugar like plague when one suggests it in their coffee or tea but then, on the other hand, they devour pavlovas, mashed potatoes and icecreams as if there is no tomorrow!

I should have put this before the previous topic but I suspect that to the majority of the girls, 'boys' and 'diets' are of equal importance. Back home, girls strive hard to keep clear of boys as much (and for as long a time) as possible. Over here, the reverse happens. I still cannot figure out how they can achieve a balance between their studies and boys! To me, the two are as different as East and West. Hence, you can imagine my horrified shock and amazement when I was informed, that some girls date more than one boy (four to be exact) in a night. It was also disclosed to me through reliable sources that these girls would zip from one restaurant to another, or cinema to cinema; I guess they tell each boy that they need to go to the "Ladies' Room" at every advertisement interval.

What puzzles me entirely is the total ignorance of their boy-friends! Any Malaysian boy would become highly suspicious if his date requires to go to the 'Room' more than once, let alone six times in an evening!

No, I will never be able to understand the average kiwi girls' sense of logic. Yet I guess it is one of the factors which contribute to making New Zealand a great place. They may seem illogical but they still emerge winners at the end of the long academic ladder. We Malaysians, thrive in complexity, but people here seek for the simplest solution and make use of that to become successful. If you cannot see what I am trying to conjure, take a look at the City Library.

In the Engineering Dept, the shelves are named Radio, Electric, Heat Engine and other complex branches of Engineer-

ing. All you have to do is figure out which is of interest to you and you are half-way there. But not so, the Malaysian Library. The arrow says — Engineering and that's about all. A Chemical Engineering student spends a whole day on his knees in that department looking for a suitable text only to discover, much to his despair that such books are only to be found in the Chemistry Dept. This is what I meant earlier on, by the word 'grovel'.

Yet, I would never want to change either worlds. The are uniquely different (and sometimes silly) but they give flavour to life and I am very happy and thankful I have been given the opportunity to experience both.

Selamat Maju Jaya Sahabat — Sahabat!

AFS Experience

July last year, I left my family and friends in New Zealand and set off for a year in New Jersey, U.S.A. as an AFS student. The good-byes were sad, but the prospect of what lay ahead was very exciting. Honolulu, Los Angeles, San Francisco to Newark Airport where I first met my American family.

I had two sisters Susan and Karen Hanson and we all went to a small private girls' school, Kent Place. I studied mainly American and Asian history, English and music, and I found that the main emphasis was on discussion and practical things, such as visiting museums, going to concerts etc. Sport was also an important part of school life. I played hockey and was the manager of the Lacrosse team.

I lived in the suburbs of New York City and enjoyed my many visits to the city and got to know it well by the end of the year. The size, all the people and the diversity (from shopping on 5th Avenue to having lunch in Chinatown), never failed to amaze and impress me. I really loved it.

I was very lucky that the Hansons liked to travel, and I visited Canada and travelled round the North Eastern states when I first arrived, in the winter I went down to Florida, to Disney World, and in the spring went out to the mid-west. I

also went on short trips to Washington D.C. Boston, Philadelphia and other interesting places.

Being in such a populated area there were a lot of other AFS students nearby, who I got to know during the year and then I spent the last two weeks on a bus trip with them. Buses from all over the U.S.A. headed for Washington and we all met on the White House lawn.

I enjoyed my year in New Jersey very much and I feel it has made me more independent, tolerant and understanding. AFS aims for greater world wide understanding and peace and I feel that the unity and closeness we had on our bus was real and lasting and something none of us, from all over the world will ever forget. I urge anyone who is interested in AFS as a student, a host family, or a friend to find out more about it.

As for America, the size, affluence, fast pace of life, all the gadgets, I loved it for the year, and I am looking forward to going back some time soon, but the extremes in wealth and poverty, peoples' prejudices and other problems made me feel pleased to be a New Zealander, even though I know we have our problems too.

Growing Away

We've known each other —
since we were
knee-high,
Playing, laughing
growing up. But
now —
we're apart. He's
a boy, and it's
hard to play,
to laugh.
We have grown
away
from friendly talk
and games.
I care what
I look like,
noticing
he is handsome.
I never noticed it before.

The Preacher

From the fiery words of his youth,
To the slow mumbling of old age
The preacher delivers his sermon
His life has been ruled by "the book"
Telling people to cast out their sins
And have brotherly love towards one
another

But he membles on
To an ever diminishing congregation,
To the deaf ears of wickedness
And to a row of empty pews

Swimming

At last the bell rings,
It's time for a swim.
For our work time is over,
and enjoyment begins.

The smell of chlorine is distastefully bad,
But the thought of swimming makes you
glad.

There's a giant splash as we all dive in,
And shouts of laughter are heard within.

The water is so blue and clear,
It makes you want to laugh and cheer.
But suddenly the teachers declare,
Come on! All out! No time to spare.

So out come the towels,
All coloured and bright.
A quick rub down, then out of sight . . .

Dreams

They all slept, snuggled up
in sleeping bags, all 32 of them.
Wafting up from all the class
came passages of dreams as
I lay awake listening; the corner
group dreamt fashion dreams, oh
they longed for the latest fashions,
the length, past the knees, florals,
stripes, checks; frills, sequins, lace.
From odd ends came dreams
of boys, dark with knowing eyes,
a cheeky grin, blond, tall, with
a sports car, a racing bike, then
came dreams of terror, fear
seeped up; it's coming
it's coming — run! Then breaks in
a peaceful dream, of lying in a
dreamless sleep, I doze off,
no dreams come, they've been
given to all the others, to pass
the night, and so I awaken
from my dreamless sleep and
go over the previous nights
dreams, really — I had them all.

Glorious golden broom
 Towering mountains
 Far far below tiny streams
 Cottages and colourful flowers
 Above seemingly topless mountains
 Swarmed by clouds
 Tunnels, pitch black
 A narrow bridge with
 Faint crashing sounds as far below
 The river pounds on the rocks
 Sheep dot the grassy mountains
 Silent trees
 Such beautiful scenery!

A FAIRYTALE

(a compression poem)

ONCE UPON A TIME, A LONG TIME AGO
THERE LIVED A PRINCESS WHO WAS
VERY BEAUTIFUL AND THERE WAS A
VERY HANDSOME PRINCE SHE LIVED
IN A CASTLE WITH HER STEP MOTHER
THE QUEEN AND THE KING HER FATHER
THESEVEN LITTLE DWARVES LIVED IN
A LITTLE COTTAGE IN THE WOODS THE
KING AND THE QUEEN WISHED FOR A
CHILD THAT TWELVE FAIRIES CAME TO
THE BABY'S CHRISTENING AT LAST THE
WICKED FAIRY APPEARED SHE CURSED
THE CHILD BUT THE HUNTSMAN
HADN'T A HEART TO KILL HER SHE
WOULD SLEEP FOR ONE HUNDRED YEARS.
THE PRINCESS LET HERSELF BE PRICKED
BY THE SPINNING WHEEL THE PRINCE
WAS BLINDED BY THE WITCH THEN THE
WHOLE PLACE WENT TO SLEEP MY WHAT
BIG EYES YOU HAVE! BUT THE WITCH
WAS PUSHED INTO THE HOT OVEN BY
GRETEL AT THE PRINCE'S CALL SHE LET
DOWN HER HAIR AND WITHOUT HER
KNOWING SHE WAS IN DANGER SHE
TOOK A LARGE BITE OUT OF THE APPLE
AT THIS SHE FELL DOWN SUDDENLY
THE CLOCK STRUCK TWELVE THE WOLF
MADE A LEAP HE CLIMBED HER ROPE OF
HAIR THE BRAVE HUNTER LEPT IN AND
SHOT THE WOLF DEAD THE SHOE FITTED
HER FOOT EXACTLY AT LAST THEY
WERE TOGETHER THEY FELL IN LOVE
AND WERE MARRIED AND THEY LIVED
HAPPILY EVER AFTER . . .

The Awakening

Deep yellow buttercups grow on the soft
mossy grass
Smooth blossom floats from the trees,
leaving a snow-white carpet
Tall trees soar to the deep blue sky
There branches reach out to the heavens
above.
Green vine entwines itself up the gnarled
trunks, teaching for its prey
A rustle in the undergrowth, and a bird's
beady-eye stares up through the leaves,
The bark of a dog breaks the silence.

The Victory of the Caroline Bell

I'm the cap'n of the Caroline Bell
An' a mighty fine ship she be
If ye'll listen I'll tell ye the tale
of her thirteenth day at sea
'Twas early morn an' the wind was four
A wond'rous day I thought —
Up 'til when I heard the shout
Of a soul away to port
I climbed the ladder to the lookout's box
Put me spyglass to me eye
An' I'll be damned if I don't see
The grinnin' Jolly Roger fly
Them be pirates says I to meself
And I voices me fears to me 'earties
Them what hear
Show nere a fear
But ram the canon smartly
The great guns roar an' the whole ship rolls
As the mast is split asunder
Ah, it killed two lads as it crashed to the
deck
With a sound akin to thunder
Alas, me second mate was next to do
An' soon a fine young seaman
Whilst some of us did pray to God
An' others curse the demon
The air was full of smoke an' spray
An' deadly splinters flew around
But by them canon me fearless crew
They boldly stood their ground
An' though it seemed that we should sink
Me bonnie lass held firm
Although not so for the pirate ship
Afire from bows to stern
An' me mates an' I, we stood an' watched
As she burned with all her plunder
An' from front to rear
Did we raise a cheer
As the blazing ship went under.

"Fantasy or Reality"

A world of sun and life
A place of warmth and kindness
A fantasy or reality?

A world of darkness and gloom
Of people passing each other in the street
Not looking, not smiling, just shuffling.
Feelings, cast in the wind.
A fantasy or a reality?

The Family

Plenty of fun,
For mum, dad, and me,
Always lots to be done
In a small family.

Sometimes we argue —
But never for long,
Because we soon find out —
Someone has to be wrong.

Out in the garden,
Or at the movies.
Digging up sweet peas,
Or watching the "Groovies."

Our family is funny,
Unusual, magnificent.
Our varied skills and talents,
Give us differing opinions.

Plenty of fun,
For mum, dad, and me.
Always lots to be done
In a small family.

Maths

The complicated, syncopated, angered, numbers, numerals of maths are far too sophisticated for me.

Multiplication then division leaves not time for **any** revision of decimal points, twos and fives of tests that make me nervilized. In the end will I win or lose, what multichoice number am I supposed to choose!?

Addition and subtractions my rubber's worn down, my belly barks with telly marks and I need some help, . . . but who can? For the fraction is squared with a twice times two, my stomach's a mess and stuck like glue, with numbers, sums, points, and addends; I assure you it is a subject that really maddens!

Maths makes my brain like a muddled spell subtracting zero and adding them as well! And now you see why mathematics leads me into worried panics. But I can't help myself anymore, for my conscience tells me to ignore the ridiculous patterns of minus, plus, times, and division; for the whole subject leaves me with my brain in COLLISION!!

Katherine Barry, 3A2

Me

I'm an ancient building,
All alone and lost
But my tired sleepy eyes still look across,
To gentle green grass,
Where girls litter a lot.

Passing years that I have seen,
Different faces, youthful grins.
Progressive ideas and brand new styles.
Never end and always win,
I housed them all.

My limbs are old,
I'm getting small.
With crowded rooms and crowded halls,
In case of earthquakes shakes or shivers
Instead of standing would fall.

A new school comes and I must go,
I have no time to stand and groan,
My purpose is served.
I'm proud of that
No matter what, remember that.

Flowers

Gently nodding when the cooling breeze
sets them swaying as the endless seas
of soft and warm colours bright,
The deep golden sunshine and the fiery
red night.

Tiny velvet buds wet with dew,
The roses sent to say, "I love you."
Scattered seeds from an unseen hand,
Wild red poppies that grow in England.

Buttercups and daisies, little dots of sunshine,

Cheering up a field of green — smiling
when the weather's fine.

Carnations with their stately roles;
Of brightening up mens' buttonholes.

The scents of Nature, sweet and pure,
Without their presence, our joys would be fewer.

Beautiful, majestic, a gift from afar,
All these things the flowers are.
